

The Sequim Community Orchestra is a community of students and adults, both young and old, who enjoy making music together. We help beginning and intermediate players, of any orchestral instrument, to learn skills such as following a conductor, counting, listening, and performing for the public.

We perform for the community twice a year; smaller groups perform at community events.

Our vision is to continue expanding our educational outreach to Sequim school children by adding more string instrumental classes for children.

New members are always welcome. No audition is required. Under the direction of Phil Morgan-Ellis, we meet weekly in Sequim.

Rehearsals: Tuesdays, 7pm - 9pm through the end of June.

Where: James Center for Performing Arts, 202 N Blake Ave, Sequim.
